HELICOPTER DELIVERY — Beginning last Friday, and continuing through several days this week, a Sikorsky helicopter was employed in the construction of a lift line at Sunday River Skiway. Ready mixed cement, delivered by truck to the

base of the mountain, was lifted in buckets to the area and used to form bases for supports for the new line. Approximately one-half yard of cement is carried each trip. The helicopter is owned by Carson Helicopters, Inc., of Perkins, Pa.

SPARKING WIRES — Torn down as a result of heavy winds last Saturday afternoon, power lines are down near the residence of Carey York on Bethel's Main Street. At about the same time, a large limb fell across lines on Mechanic Street, interrupting service and snapping off a utility pole. High winds and heavy rains accompanied the fringes of Hurricane Doria as it passed

NEW GUIDELINES REQUIRE RE-CERTIFICATION FOR S.A.D. 44 FREE/REDUCED PRICE LUNCHES School Administrative District #44 must recertify pupils for free or reduced rate hot lunches under new guidelines approved by the U. S. Secretary of Agriculture on July 1. Guidelines for local communities formulated by a state committee call for standardization of policy statements and applications and family income scale for free and reduced-price lunches.

The committee has also recommended that family income levels for free lunches remain the same as for the 1970-71 school year but that the scale for reduced priced lunches be liberalized. For instance the scale for a family of four would be increased from \$3,721-\$4,250 to \$3,721-\$4,530. Families falling within the revised scales, detailed in the information continued on Page Four

GREENWOOD CITY

— Mrs. Colista Morgan, Corrae. —
All the flowers of the garden
Are as bright as in July,
And September laughs at summer
As the golden days pass by.

Myra P. Ellis
The dawns are misty and this lies
shimmering above the pond looking
silvery as the sun strikes through
it resembling a spider's web with
dew jewels.

Roadsides are filled with the
many colors of fall flowers.
Days are shortening and growth
has slackened for no summer can
last forever.

One morning this week I discovered
bumblebees in my zinnias.
They had huddled there during the
night protected from the dew and
the chill. Nestled among the petals
for coverlets they were still slushy
and sleepy.

A couple of afternoons I have
been out in "Nymph" fishing.

The dried blades of reeds and
grass along the way touching one
another in the passing winds spoke
to me as a mellow charm came over
the afternoon earth.

Swallows, still here at that time,
rose and their chatter fell upon me
where I was anchored. I watched
them climb into the air, hover, descend,
rise again and grow tiny
against the sky.

The waves slopped on the shore
like water in a bucket.

The sky was genial and the wind
was kind.

Fleecy clouds sailed like snowy
galleons across the sky above the
western tops.

Rowing and floating was easy; the
day was beautiful.

I approached a turtle which was
curious and unafraid. He seemed
to be inspecting the one who intruded
on his solitude. I floated up to
within a few yards before he went
beneath the clear black water, his
glittering designs dropping from
view.

The New England asters nodded
from the shore among golden rod,
feathery spires of meadow sweet,
and its pink sister, the steeples bush.
Jewel weed with its slipper-like
orange-yellow blossoms, mottled
with reddish brown was there, too,
ready to explode and hurl its seeds
should something brush against it.

Buoyant on three foot wings, the
heron lit on the far, secluded shore.
Within the curve of the channel
were the massed flowers of the
yellow lilies; and just beyond the
white water lilies. At that moment
there was intense stillness, perfumed
air, waves and pools of color and
the stillness of the scene was
perfect.

The kingfisher or towhee bird

appeared and disapproved of my
presence. I read this about him.
According to legend the kingfishers
before the Flood were drab
birds; but when Noah liberated the
pair he had taken aboard the ark,
they flew into the sunset, and forever
afterward the blue sky was reflected
on the bird's back and the rays of
the setting sun on its breast. Though
the bird of the legend was a European
species, all kingfishers are colorful.

The afternoon vanished and at
four thirty I climbed the bank,
crossed the highway and entered
my yard with a good catch of fish.
From the camp near by came the
laughter and fun of the boys whom
I shall miss. They leave us this
week to return home and prepare
for school. Their summer, too, has
been short but good.

This poem by Ruby Searway who
was a teacher expresses "A Boy's
Philosophy."

School is such a stupid place to go
To find out things that ain't a
mite of sense!
—"Half per cent of this"—but
not a word
About the catbird's nest down by
the fence.
—"The object of a verb"—as if
I cared,
I caught trout down by the bridge
last night.
The future perfect never helped
a bit.
But boy! You've got to bait a
hook just right!

Mrs. Franze Mills spent most of
the week with Mr. and Mrs. Frank
Curtis. Then Mr. and Mrs. Mills
spent the week end at their cottage
returning to Shapleigh on Monday.

Mr. and Mrs. Milton Inman and
boys spent the week end at Cathedral
of Pines, then returned to their
home in West Paris.

Ann Holt was in Portland this
week.

Callers at Mr. and Mrs. Norman
Millet's were Mr. and Mrs. Albert
Downing, Gail Waterhouse, Mrs.
Lee Dean and nephew, West Paris;
Ann Holt, local.

All four of the Hayes boys, Erwin,
Ardell, Glen and Duane and their
families have had a festive week
at the Hayes Homestead with a
lobster cook out and other cook outs.

of auto loans.

With the price line being held on '72
models and the proposed saving on Federal
Excise Taxes, now is a great time to
trade cars.

And, in keeping with the country's efforts
to improve the economy, Casco has now
reduced the cost of auto loans for the
remainder of the 90-day price freeze (on
'70, '71 and '72 models) from an ANNUAL
PERCENTAGE RATE of 10.20% down to
9.31%.

So don't pay more interest than you have
to. Come to Casco even before you decide
on make, model or color and get
advance approval on your auto loan.

SUNDAY RIVER

Mrs. R. M. Frost, Corres.
Mrs. Mary Harrell and grandson, Mark Watson returned to Haddon Heights, N. J., Monday.

Miss Holly Harrell returned to her home in Pennsylvania Wednesday. Miss Bonny Hutchinson was baby-sitter for Mr. and Mrs. Joey Gmeunder, Tuesday.

Dr. and Mrs. Loy Harrell have been away since Wednesday when they took Holly Harrell to Boston on her way home.

We had a bit of rain, 1.53 inches, Saturday, which has wet up the ground a lot.

The new potatoes are good sized for the weather we have had this summer.

A helicopter landed successfully in Joey Gmeunder's dooryard in the clouds and fog Friday evening. It spent the week end there on account of the weather. It was tied to two trees as a safety precaution.

All the crabapple trees this year seem to have a very large crop. They are very pretty now. One tree lost a large overloaded limb in the wind.

Not all got to Sunday School today. Hope none were sick as we miss you and hope to see you Sept. 12.

MAGALLOWAY

Mrs. Bessie Harvey, Corres.
Mr. and Mrs. Robert Smith of Bridgton with a camper were here last Sunday night and then went to see my son, Mark, then camped in a field below the house. He with an older brother, now deceased, camped there in hunting season since 1920 until very recent falls. They were very good friends of ours.

The Magalloway road work is progressing well.

Mrs. Sharon Fortin with her two sons and two daughters spent the week end with her eldest brother.

Christian Science
Man in his true nature is always embraced in God's universal family, according to the teachings of Christian Science church services Sunday.

"A letter of the fallacious and a judge of the wisdom, to God in the help of his children. God sends the solitary in families." This is one of the Bible passages to be read. The sermon on "Man" also includes this supporting testimony from Science and Health with Key to the Scriptures by Mary Baker Eddy. "Man in the family home for all ages, the sons and daughters of God. All that God sends are in accord with him, reflecting goodness and power." An invitation is extended to all by First Church of Christ Scientist.

45th ANNIVERSARY — Mr. and Mrs. John Swan celebrated their 45th wedding anniversary at the Locke Mills town hall, Sunday Aug. 29. They received nice gifts and a money tree. A program was enjoyed by all. Some of the grandchildren sang, danced and a history of the couple's life was read. Their four living children with their families were present along with many friends and relatives. The very pretty cake was made by a lady from Auburn. Flowers were compliments of Coburn's Flower Shop, Bethel. The couple was married at Bethel on Aug. 2, 1926, by Rev. Achenbach.

"LIKE A MIGHTY ARMY" TO BE SHOWN AT BETHEL GOSPEL CENTER, SUNDAY, SEPT. 5

A new dramatic film, "Like a Mighty Army," the down-to-earth true story of a man in tune with his times, will be shown at the Bethel Gospel Center, on Sunday, Sept. 5, at 7 p. m.

The social revolution among young people today is frightening in many of its aspects. Even the church is being seriously questioned as to its existence and activity. Instead of responding with bewilderment and fear, a handful of people in Ft. Lauderdale, Fla., led by their dynamic young minister, Rev. James Kennedy, committed themselves to the principle of providing life-changing answers for the people of their community.

In nine short years the Coral Ridge Church has become one of the fastest growing congregations in the world, growing from 17 to more than 7,000 members and heading three Sunday morning services to handle the crowd.

KIMBALLS HOLD SUCCESSFUL REUNION AT BRIDGTON AUG. 14

Bridgton Academy, North Bridgton, on Aug. 14 was the location of the Kimball Family Association third annual reunion, to which came just under 200 Kimballs of all ages from 14 months to 83 years.

All New England states were represented, as well as the following: New York, New Jersey, Illinois, Virginia, Nebraska, Colorado, California, West Virginia, Florida and Kansas.

In the absence of the president, Robert W. Kimball, of Hampton, N. H., incoming president, Herbert E. Kimball of Rochester, N. H., presided. At the morning session Dana Parks, Jr., of Salisbury, N. H., gave a helpful talk on researching one's ancestors, with humorous anecdotes. Mrs. Mary Champe, Rumford Center, assisted by Mrs. Merle Kimball, Danville, N. H., and Mrs. Gordon Kimball, Wolfeboro, N. H., helped many attending to trace their own lines, while Mrs. Estella Kimball Martin, Rumford Point, and Mrs. Robert W. Kimball, Hampton, N. H., were busy selling the reprints of the Kimball Family History.

Mrs. Thekla Kimball, South Paris, assisted by Senator Reynolds of Omaha, Neb., directed registration of all those attending. William Kimball of Mendon, Mass., and Roger Kimball, town manager of Buckfield, handled payment of dues.

Herbert Kimball presented Mrs. Mildred Kimball Whitaker of Reading, Vt., at the beginning of the afternoon program, preliminary to the singing of the Kimball Family Song, which she had composed. Accompanist was Mrs. John Pitts, Fryeburg. Bishop Robert Hatch of Randolph, N. H., recently retired as Bishop of Western Massachusetts Diocese, gave a most interesting and vivid description of the Battle of Bennington, stressing what our forefathers endured to keep this country free in which to raise our families, including the many Kimballs, who are one of the first families in this country.

G. Myron Kimball, Lovell, gave the report of the nominating committee (consisting of himself, also John Pitts, Fryeburg, and Elizabeth Carter, West Bethel) and election of the following advisory board and officers followed. President, Herbert E. Kimball, Rochester, N. H.; Vice President, Rupert Kimball, Nashua, N. H., and Mrs. Estella Kimball Martin, Rumford Point; Recording Secretary, Mrs. John Pitts, Fryeburg, and Corresponding Secretary, Editor of the Newsletter, Mrs. Elizabeth Mason Carter, West Bethel. Advisory Board: Dr. Charles N. Kimball, Kansas City, Mo.; Thomas Kimball, Washington, D. C.; Senator Florence Kimball, Omaha, Neb., and Robert W. Kimball, Hampton, N. H. The president will announce his committee membership shortly.

H., and Mrs. Stanley Whitaker, Reading, Vt., and Co-Chairmen of New Jersey, Mrs. George Flint of Cinnaminson, and Mrs. Richard Kimball of Cranford.

Attorney John Hancock Kimball, Lynnfield, Mass., asked for a vote to create the Committee on Study of Incorporation consisting of himself, Dr. Charles Kimball, Rupert Kimball, Mrs. Emma Kimball Hall, Canada, N. H., and President Herbert Kimball as chairman.

Mrs. Robert Kimball read a poem on the family by Mrs. Fayour, a 91 year old Kimball. Mrs. Mildred K. Whitaker, Awards Chairman, presented donated gifts to winners of the Art Exhibit, chairmanned by Anne Kimball, Hampden Highlands.

INMAN - BAILEY

A pretty summer wedding was held at the Mexico Baptist Church on August 28 when Miss June Bailey, daughter of Clarence Bailey, South Andover and the late Frances Bailey became the bride of Michael Inman, son of Mr. and Mrs. Howard Inman, Albany. The double ring ceremony was performed by Interim Pastor Leon Strout, Mexico.

Mr. and Mrs. Michael Inman

The bride, who was escorted to the altar by her father, wore a floor length lace over tulle gown with lace sleeves, and a scoop neckline. Her shoulder length veil fell from a small crown. She carried a bouquet of carnations and yellow roses. The attendants wore empire waisted dotted swiss gowns of various colors. Their single carnations matched their gowns. Each wore a matching bow in her hair. All the dresses were made by the participants.

The maid of honor was Miss Jeanne Merrill, Andover. The brides-

maids were Miss Terry Inman, sister of the groom, Albany; Miss Sue Lowell, Bethel, a classmate; and Miss Nancy Bailey, sister of the bride, Andover.

Anthony Inman, Albany, was his brother's best man. Ushers were Robert Colford, Unity; Henry Deegan, Bethel, and James Look, Rumford, all friends of the groom.

Mrs. Clarence Bailey and Mrs. Howard Inman each wore a catnail corsage.

Immediately following the ceremony a reception was held at the home of the bride in Andover. Miss Kathy Bailey and Miss Renita Inman, sisters of the bride and groom, circulated the guest book. The bridesmaids had charge of the gift display. The three tier bride's cake was made by Ruth Cox, Rumford. It was decorated with yellow roses and topped with the traditional bride and groom.

The bride graduated from Telstar Regional High School in the class of 1970. She is a 1971 graduate of C. M. V. T. I. in Practical Nursing and is employed at the Maine Medical Center, Portland.

The groom also graduated from Telstar Regional High School in 1970 and is attending S. M. V. T. I. in South Portland, majoring in Electronics.

Following a short trip the couple will be at home at 100 Ocean Ave., Portland.

A HIGH FEVER IS VERY SCARY

When a child's temperature shoots up very high, it is very frightening to the parents. And often, this will happen without any other symptoms. Fortunately children are able to tolerate high temperatures much more easily than adults.

If a fever gets over 102 in a small child, a physician very often prescribes a sedating suppository to guard against the possibility of a convulsion. Some physicians suggest you have these prescription suppositories in the house for use if a fever is raging late at night. Children's aspirin helps to bring down the fever but if it gets up as high as 104 or 105, your physician might recommend putting the child in a bath of cool water. Follow his advice.

Due to the increased number of prescriptions and in order to keep up good service, it would be to our mutual advantage, if you would please phone in re-fill prescriptions. — Thank you.
